Once you are logged in to the panel "**My Drive**" page welcomes you. (See also "<u>My Drive</u>" for further information.)

2. My Drive

On this page, you can upload files to your space and manage them. You can also view and download your backup files using this menu and use the "**Common Spaces**" to the extent that the authorizations your admin granted you. (See also Narbulut nDocs Workspace Guide for further information.) This guide will cover "**My Computer**" menu which you can find your backup files.

My Computer

This menu has 3 submenus: "**My Files & Folders**", "**My Databases**", "**E-mail Files**". This guide will cover all of them.

A. My Files & Folders

On this page you can find the folders that you have backed up via Narbulut Backup Now agent. You can download them by clicking the "**Download**" icon.
